Dear Mr. Huang,

The Board received your request to reinstate your expired CPD Sponsor/Provider license. Therefore, your license (CPD 114) was reinstated on February 01, 2013 and will expire on March 31, 2017.

**Important:** *The application fee is not a renewal fee. Upon receipt and approval of this application, your license will be placed in the *current* renewal cycle. Renewal invoices are mailed approximately 5 weeks prior to your expiration date of March 31, 2017.*

Verification of your firm licensure status may be obtained on the "Licensee Search" section of our website at [www.lapels.com](http://www.lapels.com).

Please be sure to notify the Board immediately of any changes of mailing address, contact information or email address, as email is an efficient and convenient means for the Board to keep you abreast of important information about your license, the Louisiana Engineer & Surveyor Journal, and changes in the Board's statutes, administrative codes and policies.
